Providing compassionate, patient-centered primary care for individuals and families.

Dr. Dajour Collins is joining Community Health Centers of America as a Family Medicine physician, providing comprehensive primary care focused on prevention, wellness, and the treatment of acute and chronic conditions.

He completed his Family Medicine Residency at Tallahassee Memorial Family Medicine Residency Program, where he developed a strong foundation in delivering compassionate, personalized care for patients of all ages. Throughout his training, he emphasized preventive medicine, chronic disease management, and building lasting relationships with the communities he serves.
